

PATTON'S CHRISTMAS TREES
A LITTLE PLANNING. A LOT OF CHRISTMAS.

Your Holiday Planning Guide

Make room for something real.

YOUR PRINTABLE HOLIDAY CHECKLIST

LESS RUSH. MORE MERRY.

Take stock of what you have. Make a list of what you need. Save time for the traditions you love.

Start with a list. Finish with a tradition.

Before the holiday boxes come down, take a few minutes to check your lights, ornaments and decorating supplies. Use the checklist on the next page to see what is ready, what needs attention and what belongs on your shopping list.

Then make room for the fun part: choosing your real Christmas tree. Measure your space, gather your favorite decorations and plan a visit to Patton's. A little preparation leaves more time for the people and traditions that make the season yours.
